Hey Mr. Khalouf,

It's been awhile! Been hearing from Peter Roberts, a student you had last quarter and one of my current students over at the martial arts school. Peter told me when I said tell Mr. Khalouf I said hi, you just started shaking your head saying "Bradley Bradley Bradley" lol. Funny how this whole thing started. I knew he went to Newport so asked him one day "So Peter, who's your favorite teacher over at Newport?" Peter said immediately "Mr. Khalouf", and I'm like "no way he still a Stealers fan?" Peter said "Of course". So I figured I would stop talking about you and actually send you an email! Hope all is well. How's everything at Newport? I know a bunch of staff got switched, got Mr. Howell over here at Einstein. How are classes this year? Pass by you guys every day on the way to school. Loving Einstein, not to say that I would ever forget everyone at Newport! Hope to stop by sometime! Well anyway hope all is well and talk to you soon.

Hello there Mr. Khalouf, It's Rediat!!! Unless you got really old over the summer I think you remember me. How could you forget your best student??!! Anyways, I am doing fine in high school. Too much homework. But it's very fun meeting new people because I have very good social skills (that was a good connection to what I learned in your class). By the way I have learned from my sources (My source is my sister, Beza) that you aren't teaching health class anymore. Health class would suck without you. Don't let those kids suffer a boring health class. But at least you can make p.e. fun for the rest. I just wanted to say hi. I know this was a lot to read. Please email back. Bye! 😊
