Newport Mill Middle School

May 26, 2010

Mr. Kenneth Khalouf
Health Education Teacher
Newport Mill Middle School

Dear Mr. Khalouf:

Congratulations and thank you for sponsoring and organizing the Health Fair Saturday, May 8, 2010. The event was well organized and successful because of your efforts and those of the students in your Health Club.

Health and fitness of our nation's youth is a major focus of First Lady Michelle Obama to and this event paralleled her efforts to make Americans aware of the value of good nutrition and exercise for a healthy society. The event at Newport Mill Middle School was outstanding and served our Newport Mill Community well.

Thank you for your efforts and dedication to Newport Mill Middle School and your passion for helping Newport families live a healthy life style. Your leadership skills were evident in every aspect of this event. You are an extraordinary role model for these students and for your colleagues.

Keep up the good work. I am proud of you.

Respectfully,

Panagiota Tsonis
Principal
