

- you made us feel positive about ourselves
- We can always count on you if we have problems because even though I didn't have you this year yet last year you always listen to us (even if we were wrong) and you told us how it is. You understand how we think and what we want/need. Your awesome!
- you always had a smile on your face !! ☺

- Your Funny
- Your Patient with us
- You Trust us.
- You are very fair

- Mr. Khalouf Thank you very much for me to be in your class when I have been selected Student of the week I was very happy and that build my self-esteem You are one of my favorite teachers!!!

I like how you are never in a bad mood you are always happy, exciting, and funny. I say you should keep on being funny and making this class fun!

- You always like to hear peoples stories or opinion
- You listen to peoples questions

I liked how you with had good connection with students.

• I think that with your crazy
humorous stories, it made us feel
very comfortable

You are a kid at heart I would
like to continue what you are
doing and I hope to see you
next year.

Keep being you your down to earth
when you teach that makes
you a good teacher.

I am thankful for Mr. Khalaf ^{because....}
you are the best teacher to teach health.
You are funny and polite.
You are funny and polite. I like you he

He is nice and exciting. He is very
funny and he has good teaching.

Your not mean like Most teachers *coughs*

You make the class fun!
And you Explain & put things into details unlike
Most teachers!
Your like one of US!!

Well... there isn't really anything that you
should change because this class was the kind
